Dear Doctor Hookman:

Several of the doctors came to our workshop luncheon ^{who} and left their tickets at home. We gave them duplicate tickets if your records indicated that they had paid. I do not know to whom you paid the second \$5.00. But, if you have a receipt for having paid twice, either by cancelled check or otherwise, I would refund you the \$5.00 ~~from my~~ *personally,* ~~packet.~~ Because of the inadequacy of the size of the meal which the hotel provided. We had to order more food, which was not figured in the arrangements, leaving a deficit which I have no way of meeting. Thank you for your support and I hope that the workshop was profitable.

Yours very truly,

Leonidas H. Berry, M.D.
