Pan American Inaugural Flight
Enroute to Monrovia

Dear Dr. Berry:

Welcome to Nigeria. My Colleague, Miss Marjorie Floyd will accompany you to the Bristol Hotel, where I have made booking for December 5, 6 and 7th.

Arrangements have been made for you to meet with some members of the Medical School of the University of Lagos, On Tuesday Morning. The demonstrations will follow.

The Deputy Director has invited some of the leading medical officials to a Buffet Supper on Tuesday Evening. I have not made a program for Monday, since I had been informed that you would arrive on the 6th. On receiving your telegram stating that you would arrive on the 5th instead, it occurred to me that there may be some people or places of special interest you may wish to see.

I will be available for discussion of further plans with transportation, at your convenience. I shall be in the office at 8 A.M. the telephone number is 26356. In the event that I have not heard from you by 9 A.M. shall I call you at the Bristol?

There are alternative plans for dinner on Monday, pending confirmation after conferring with you.

With every good wish for a fruitful and enjoyable stay in Nigeria which is much too short.

Sincerely yours,

Sarale A. Owens
