Rec'd 10/29/65*

October 29, 1965

Dear Dr. Berry:

This will acknowledge your letter of October 7 which you personally delivered to me.

I have been in contact with the Public Health Service, and we are going to suggest your name for inclusion on one of the important advisory committees on health.

We are grateful for your suggestions. I look forward to continuing to cooperate with you.

Sincerely yours,

Wilbur J. Cohen
Under Secretary

Dr. Leonidas H. Berry
President
National Medical Association, Inc.
412 East 47th Street, No. 26
Chicago, Illinois
