Dear Friend:

On behalf of the Board of Directors and Officers of the Alexian Brothers Hospital Foundation our sincere thanks for receipt of your donation in support of the Spring Ball May 4th.

As the Presidential Ball nears, we feel most confident of it's success and are anticipating a most rewarding enjoyable evening.

Our friends, we feel who through natural inclination, sentiment, personal experience, membership affiliation and participation, all have the same wish which is to help the Brothers help others.

Sincerely yours,

John P. Glunz, President
Alexian Brothers Hospital
