# More Information about Filters Update

- The available filters and their underlying search strategies have not changed.
- Have you seen this bug? A small number of users reported an issue where additional filters get activated alongside their selected filter(s) and shown in the green “filters applied” banner.
  - Solution: Clicking the “Reset filters menu” button will resolve this by clearing the old filter cookies from your browser
- Reach out to the help desk and send us your filters feedback!
